

NEW!

Turface® ProLine™ Athletic Field Marker

The first line marker to meet Turface Athletics™ standards, this specially formulated blend of finely crushed white calcium carbonate (limestone) is ideal wherever lines must be highly visible. The manufacturing process is certified to ISO standards to ensure purity and uniform particle size bag after bag.

- Specifications:**
- 100% white calcium carbonate
 - 50-lb (22.7 kg) bag/40 bags per pallet
 - (1) 50-lb (22.7 kg) bag of chalk will stripe approximately 300' (91.44 m) of a 3" (7.62 cm) wide and 1/16" (2.7 cm) thick line

- Bright white color
- Easy flowing for consistent coverage
- Non-caking, non-caustic, and non-irritating to eyes and skin
- Complies with NCAA® and NFHS® official rules and Official Little League® handbook regulations

YOUR HOME FIELD ADVANTAGE
